Hi Everton,

So unfortunately I've had to call in sick to work today, and it looks like that might have to be the case for tomorrow as well. Could we set up a time some time on Tuesday or Wednesday next week for a quick walkthrough so that I can help you with anything you need to have done for Scott?

Hey,

Sorry to hear that! My team is a bit scattered next week, only two of us are available Wednesday after noon. Other than that our Integration lead Trevor is available all of Tuesday and Wednesday and is able to meet with you to go over the project.

Let me know what works best for you,
Everton
