Current Design to Date

The most accurate design of the website as of late is modelled off of our mock ups from our design document. The client has specified certain likes/dislikes for each mockup and we are basing our ideas off of that information.

Current Project Progress

We are feeling the pressure now. Seriously we are all feeling the fire under our ass right now but with a good idea of what needs to be done and with constant reviews of what has been done each day and what is planning to be done each day we are still confident that we will finish on time. Sort of...
