Hi Angie,

Our capstone class will be conducting the final product presentations this Friday. We would love for you to come and watch us showcase our product and outline our process. Presentations start at 8:30 AM in FIP 204.

We also need to schedule a meeting with you sometime before the 16th to review our final product. My team is usually busy Tuesdays and Wednesdays but please let us know when works best for you.

Thanks,
Everton Smith

YIKES!

I'm so sorry Everton! I missed setting up another testing meeting with you guys. I can definitely be there on Friday morning, and I'll see if Scott can make it as well. Do you know what time your presentation is? And I could meet with you either this Thursday or Friday to review the final product, or next Thursday (I'm away Monday). Let me know what works for you.

Cheers,
Angie

Our presentation is at 9 AM Friday. It will be recorded if Scott cant attend.

Would Friday sometime after 12:45 work for you to review the final product?
