

Day	Date	Hours	Description of Work		Name	Week #	Total Hours
Friday	July 12	0.5	Meeting		Josh Henderson	9	22.5
Saturday	July 13	0					
Sunday	July 14	0					
Monday	July 15	4	Worked on mixtape page to allow users to upload a limited number of songs to a form. Cannot add to database yet until we figure out chunk loading onto the database. Spent the day tidying up pages for better usability, adding comments for readability and debugging parts of code.				
Tuesday	July 16	5	Focused on readying the cart_page branch to be merged with master. Commented code and finished checking that the functionality was working. Added UI improvements				
Wednesday	July 17	3	More of the same from Tuesday, focused on commenting code and cleaning up code.				
Thursday	July 18	10	Trevor merged the cart_page branch with master. Spent most of the day going through the code writing classes to properly clean up the code and match the style of coding that other group members are implementing.
